## Venerini Academy Basketball Guidelines

Welcome to the Venerini Academy Basketball season. The following regulations are to be followed by our student athletes, parents, and coaches.

Each child is to be on time for practice and games. If your child is going to miss a practice or game, please notify the coach so they are able to make proper arrangements. Some of you are on other teams and may have conflicts, etc. Also, playing time is solely at the discretion of the coach. I will not interfere with a coach's decision unless there are extenuating circumstances.

Disrespect will not be tolerated from our players, especially toward the coaches and the referees. If during the season, your child should receive one technical foul, they will be suspended for one game. If they get a second technical foul, they will be suspended for two games. If they receive a third technical foul, they will be removed from the team. Parents, please be aware that the refs are there to control the game and they will not tolerate unruly fans. If things get out of hand, fans - *including parents*, may be asked leave the gym.

The "Concussion Rule" is a new rule that has been put into place. If a player should hit their head extremely hard on the floor, the ref and/or coach has the right to take that player out for the remainder of the game to insure the safety of the player.

Thank you for all your support for our players and coaches. I am looking forward to another great season from our players and am truly proud of all our teams.

Thank you,

Mary Sivo  
Athletic Director
