

Dear Middle School Students and Parents,

The goal of summer reading is to foster the enjoyment of reading while reviewing literacy concepts. Please read books that you enjoy and come prepared to share your knowledge about these books in the fall. Additionally, immerse yourself in our all Middle School read so that you can discuss pertinent topics and participate in literacy activities in the upcoming school year.

1. Choose 2 books to read over the summer.

*Choose two books that you would like to read and that are reading level appropriate.

*You can find books on the suggested reading list or choose your own.

2. Choose 2 activities from the attached Summer Reading Choice Board (one for each of your chosen books).

*Each assignment will be presented and graded upon return to school

3. All Middle School Read

*To promote community and love of reading, our All Middle School Read will culminate in literacy activities done in the classroom upon our return to school.

This book is *Insignificant Events in the Life of a Cactus* by Dusti Bowling.
