

# Venerini Lunch Program

**NOTE:** Venerini is currently a **NUT FREE** school due to a number of students with severe allergies.

---

## Subway Lunch

Venerini has partnered with Subway to provide an optional lunch for students on Monday through Friday.

### Order Instructions:

Place your order on the following site: <https://venerinifresh.wixsite.com/subwayvenerini-lunch>

When placing your order, be sure you are ordering for the correct day. You can place your order on Sunday for the entire week, or up until 8AM on the day you need lunch for your child. Please note, there are no recurring orders - you must at least place your child's lunch order weekly.

### Payment Options: *(Due to COVID, we are not accepting cash payments)*

1. You may send in a check to open an account in any amount you choose (*checks payable to **Subway***). James Basile, the Subway Manager will alert you via email when your funds are low.
2. You may purchase a subway gift card where it's convenient for you and register the gift card on the Subway website. Once purchased and registered bring the subway card along with the receipt to school.

There are a few advantages to this method:

1. *You may use your credit card to purchase the gift card (in any amount you choose).*
2. *Once registered, you may add funds online with your credit card.*
3. *Your account will earn rewards. Although they cannot be redeemed for the school lunch program, you will accumulate a significant dollar amount over the school year to use at any traditional Subway.*

**Special Note: Please email your teacher when you are sending in money so they know to look for it.**

If you run into any questions or concerns or would like to gain access to your account to monitor the funds, you can call or email James Basile.
