Students in grades K-12 are eligible for these limited grants. International and pre-kindergarten students or students on a school's wait list are not eligible to apply for or to receive awards from any Diocesan financial aid/scholarship program.

Student's Withdrawal from a Participating School:

For any student that withdraws on or before on or before August 31, 2022, the student's award will be rescinded and returned to the fund for reallocation by the Committee and the Director of Student Financial Services.

Student's Transfer from one Participating School to another Participating School:

For any student that transfers from one participating school to another on or after September 1, 2022, the student's award will be re-calculated based upon the tuition rate of the new school. If the tuition rate at the new school is greater, no increase of the award will be granted. For any student that transfers to another participating school on or after September 1, 2022, the school that the student is leaving will retain a portion of the student's award. The amount to be retained by the school the student is leaving will be determined by the date of transfer. Any part of a month in attendance will be counted as a full month when determining the amount the school will retain. Monthly payments are based upon a ten-month school year. The balance will transfer to the new school. This financial aid award will not transfer unless the Director of Student Financial Services is notified in writing of the student's transfer by both principals of the participating schools.
